Mr Shryock

I think we've corresponded before over the Shryock Geneology Page.

I found your name as the submitter of a geneology on ancestry.com that included my grandmother, Artemesia (Artimesia) Louise Shanklin. It had her listed as Artie Mesin Shryock.

Her first husband was Claude Shanklin. Her second was George Loebig. My mother, Margaret Rose Shanklin, was one of her children.

She died in May 1974.

I even have some pictures (in soft copy) of her if you would like.

Since you are the holder of the ancestry.com record, can you update the listing?

Many thanks

John Cunningham
